

2012 Troop 272 Electronics Weekend

Scouts, Parents, and Families,

At the January PLC, guidelines and rules were adopted for this year's Electronics Weekend. These guidelines are based on previous years experiences, what has worked and things that needed to be tweaked from the past. The rules are as follows:

- All scouts must have a signed permission slip in order to attend the Electronics Weekend.
- All scouts are responsible for all of their personal belongings they bring to the lodge. Troop 272 will not be held responsible for any damaged or stole belongings under any circumstances.
- All scouts are asked to clearly label all of their belongs.
- All scouts need to complete a list of all electronics they bring to the cabin.
- No Rated R movies are allowed at any time during the weekend.
- Room assignments will be based on game ratings.
- One wing of the cabin will be devoted to scouts who are allowed to play Rated M games, the other will be devoted to those playing Rated T games and below. Anyone without a signed permission slip will be assumed to be Rated E games and Rated G movies.
- Any scout unauthorized to be in an M Rated room will face severe consequences for entering a room they are not allowed in, found on the other wing of the cabin.
 - The scout in violation of these rules will call their parents on the first offense.
 - The room that violated this agreement by letting unauthorized scout(s) in their room will be asked to turn over all of their M Rated games to the adult in charge.
- In order to ensure that all scouts are aware of the room rating restrictions:
 - streamers signifying the M Rated hallway will be hung
 - color coded cards will signify the designated room rating
 - an adult room will be the first at the start of the Rated M hallway
